

LAKITHA LOKUKALUGE

Rajagiriya, Colombo | +94 71 2974 403 | lakithadilshan08@gmail.com | www.linkedin.com/in/lakitha-lokukaluge

PROFESSIONAL SUMMARY

Fresh graduate and full-stack software developer with hands-on experience across the end-to-end application lifecycle — from requirement gathering to production deployment — using Next.js, React.js, Node.js, NestJS, Spring Boot and PostgreSQL. Completed a software engineering internship at NCINGA (PVT) Ltd delivering enterprise-level backend APIs, database optimization, and real-time system integrations. Comfortable owning and refactoring existing codebases, collaborating cross-functionally with non-technical stakeholders, and working in fast-paced Agile environments. Recognized as Best All-rounder Student of the Year 2022 at SLIIT for discipline, teamwork and leadership.

TECHNICAL SKILLS

Languages & Core Technologies: JavaScript (ES6+), TypeScript, Java, HTML5, CSS3

Full-Stack Frameworks: Next.js, React.js, Node.js, NestJS, Spring Boot, Express.js, RESTful APIs

Databases & Enterprise Systems: PostgreSQL, MongoDB, Oracle, MySQL, Firebase — database modeling, indexing, query optimization

Security & Auth: Authentication & Authorization, Row Level Security (RLS), API security best practices

Tools & Practices: Git/GitHub/GitLab, VS Code, IntelliJ IDEA, Postman, Figma, Agile/Scrum, code reviews, documentation

Cloud & Integrations: Supabase, Vercel, custom API integrations, third-party data extraction pipelines (Firecrawl)

PROFESSIONAL EXPERIENCE

Software Engineer Intern | NCINGA (PVT) Ltd

March 2024 – September 2024

Colombo, Sri Lanka

- Developed and maintained backend RESTful APIs using Spring Boot for the CEFTS enterprise project, implementing CRUD operations and integrating MongoDB for efficient data management
- Built responsive web interfaces using React.js and Redux for state management in the Captive Portal system, ensuring seamless real-time data updates and optimal user experience across devices
- Converted Figma UI/UX designs into pixel-perfect, responsive web interfaces using modern CSS frameworks and React components
- Collaborated with cross-functional teams in Agile/Scrum environment, participating in daily standups, sprint planning, and code reviews
- Debugged and optimized application performance, reducing API response times by implementing efficient MongoDB queries and indexing strategies
- Maintained high code quality through comprehensive unit testing, code documentation, and adherence to best practices

KEY PROJECTS

Smart Product Price Tracker

Next.js 16, React, Supabase (PostgreSQL), Firecrawl API, Resend, shadcn/ui, Recharts, Tailwind CSS

- Full-stack e-commerce price tracking application enabling users to monitor prices across multiple online stores with automated alerts
- Integrated Firecrawl API for intelligent web data extraction with JS rendering, rotating proxies, and AI-powered structured data extraction
- Implemented Supabase backend with PostgreSQL, Google Authentication, and Row Level Security (RLS)
- Built interactive data visualizations using Recharts and configured transactional email notifications via Resend API

Smart Karate E-Learning & Performance Analysis Application

React Native, Firebase, IoT Sensors, Machine Learning (Google Colab)

- Cross-platform mobile app featuring AI-driven skill level detection, 3D movement modeling, and real-time performance analytics
- Implemented Firebase for real-time database synchronization and multi-device user authentication

Fitness-FIT Gym Application

React.js, Spring Boot, Firebase, RESTful APIs, Postman

- Full-stack fitness platform enabling users to share posts and videos, integrating React frontend with Spring Boot backend APIs
- Tested and documented APIs using Postman, ensuring robust error handling and optimal performance

EDUCATION

BSc (Hons) in Information Technology

2021 – 2025

Sri Lanka Institute of Information Technology (SLIIT)

Relevant Coursework: Web Development, Database Management Systems, Software Engineering, Data Structures & Algorithms, Mobile Application Development

GCE Advanced Level – Physical Science Stream

2006 – 2019

Ananda College, Colombo 10

AWARDS & LEADERSHIP

- Best All-rounder Student of the Year and Most Outstanding Sportsman of the Year 2022, SLIIT — university's most prestigious lifetime achievement award
- Captain, SLIIT Karate Team & Sports Council Member (2023); Awarded SLIIT Colors (2022, 2023, 2024)
- Captain, Junior National Karate Team — 9th Commonwealth Karate Championship (South Africa), 17th Asian Karate Championship (Japan)
- 3rd Dan Black Belt Holder (Japan Karate Dojokai-JKD Japan); 4x National Champion; Bronze Medal — South Asian Championship (India)
